PRIMARY EXAMINER**

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Mr. Lahota on 7/19/05.

The application has been amended as follows: in claim 10 line 9 delete "at least one" and replace it with -two-, change "post" both occurrences to -posts-. In claim 14 line 2 change "that" to -than-.

The following is an examiner's statement of reasons for allowance: the above changes to claim 10 are merely to add material that was inadvertently omitted by applicant when an allowable claim was rewritten in independent form.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Douglas D. Watts whose telephone number is (571) 272-4515. The examiner can normally be reached on Mon.-Thurs..
